

It was a busy afternoon for Raiders goalie Emily Knapp, who made 18 saves. And she had excellent support from a persistent defense that kept clearing the ball a second before the restless Tigers were able to get a stick on any deflections.

"We seem to play them well," said Knapp, who stayed calm despite the constant pressure Mamaroneck applied from all directions. "I like the rush. I like the adrenaline when you're on the field in a game like that and your teammates are supporting you every step of the way. I think we've been playing well this season, and this was probably the most competitive game we've been in."

Scarsdale (7-0-5) still hasn't lost a game.
